

WARNING! This document reveals
the solution to this puzzle.

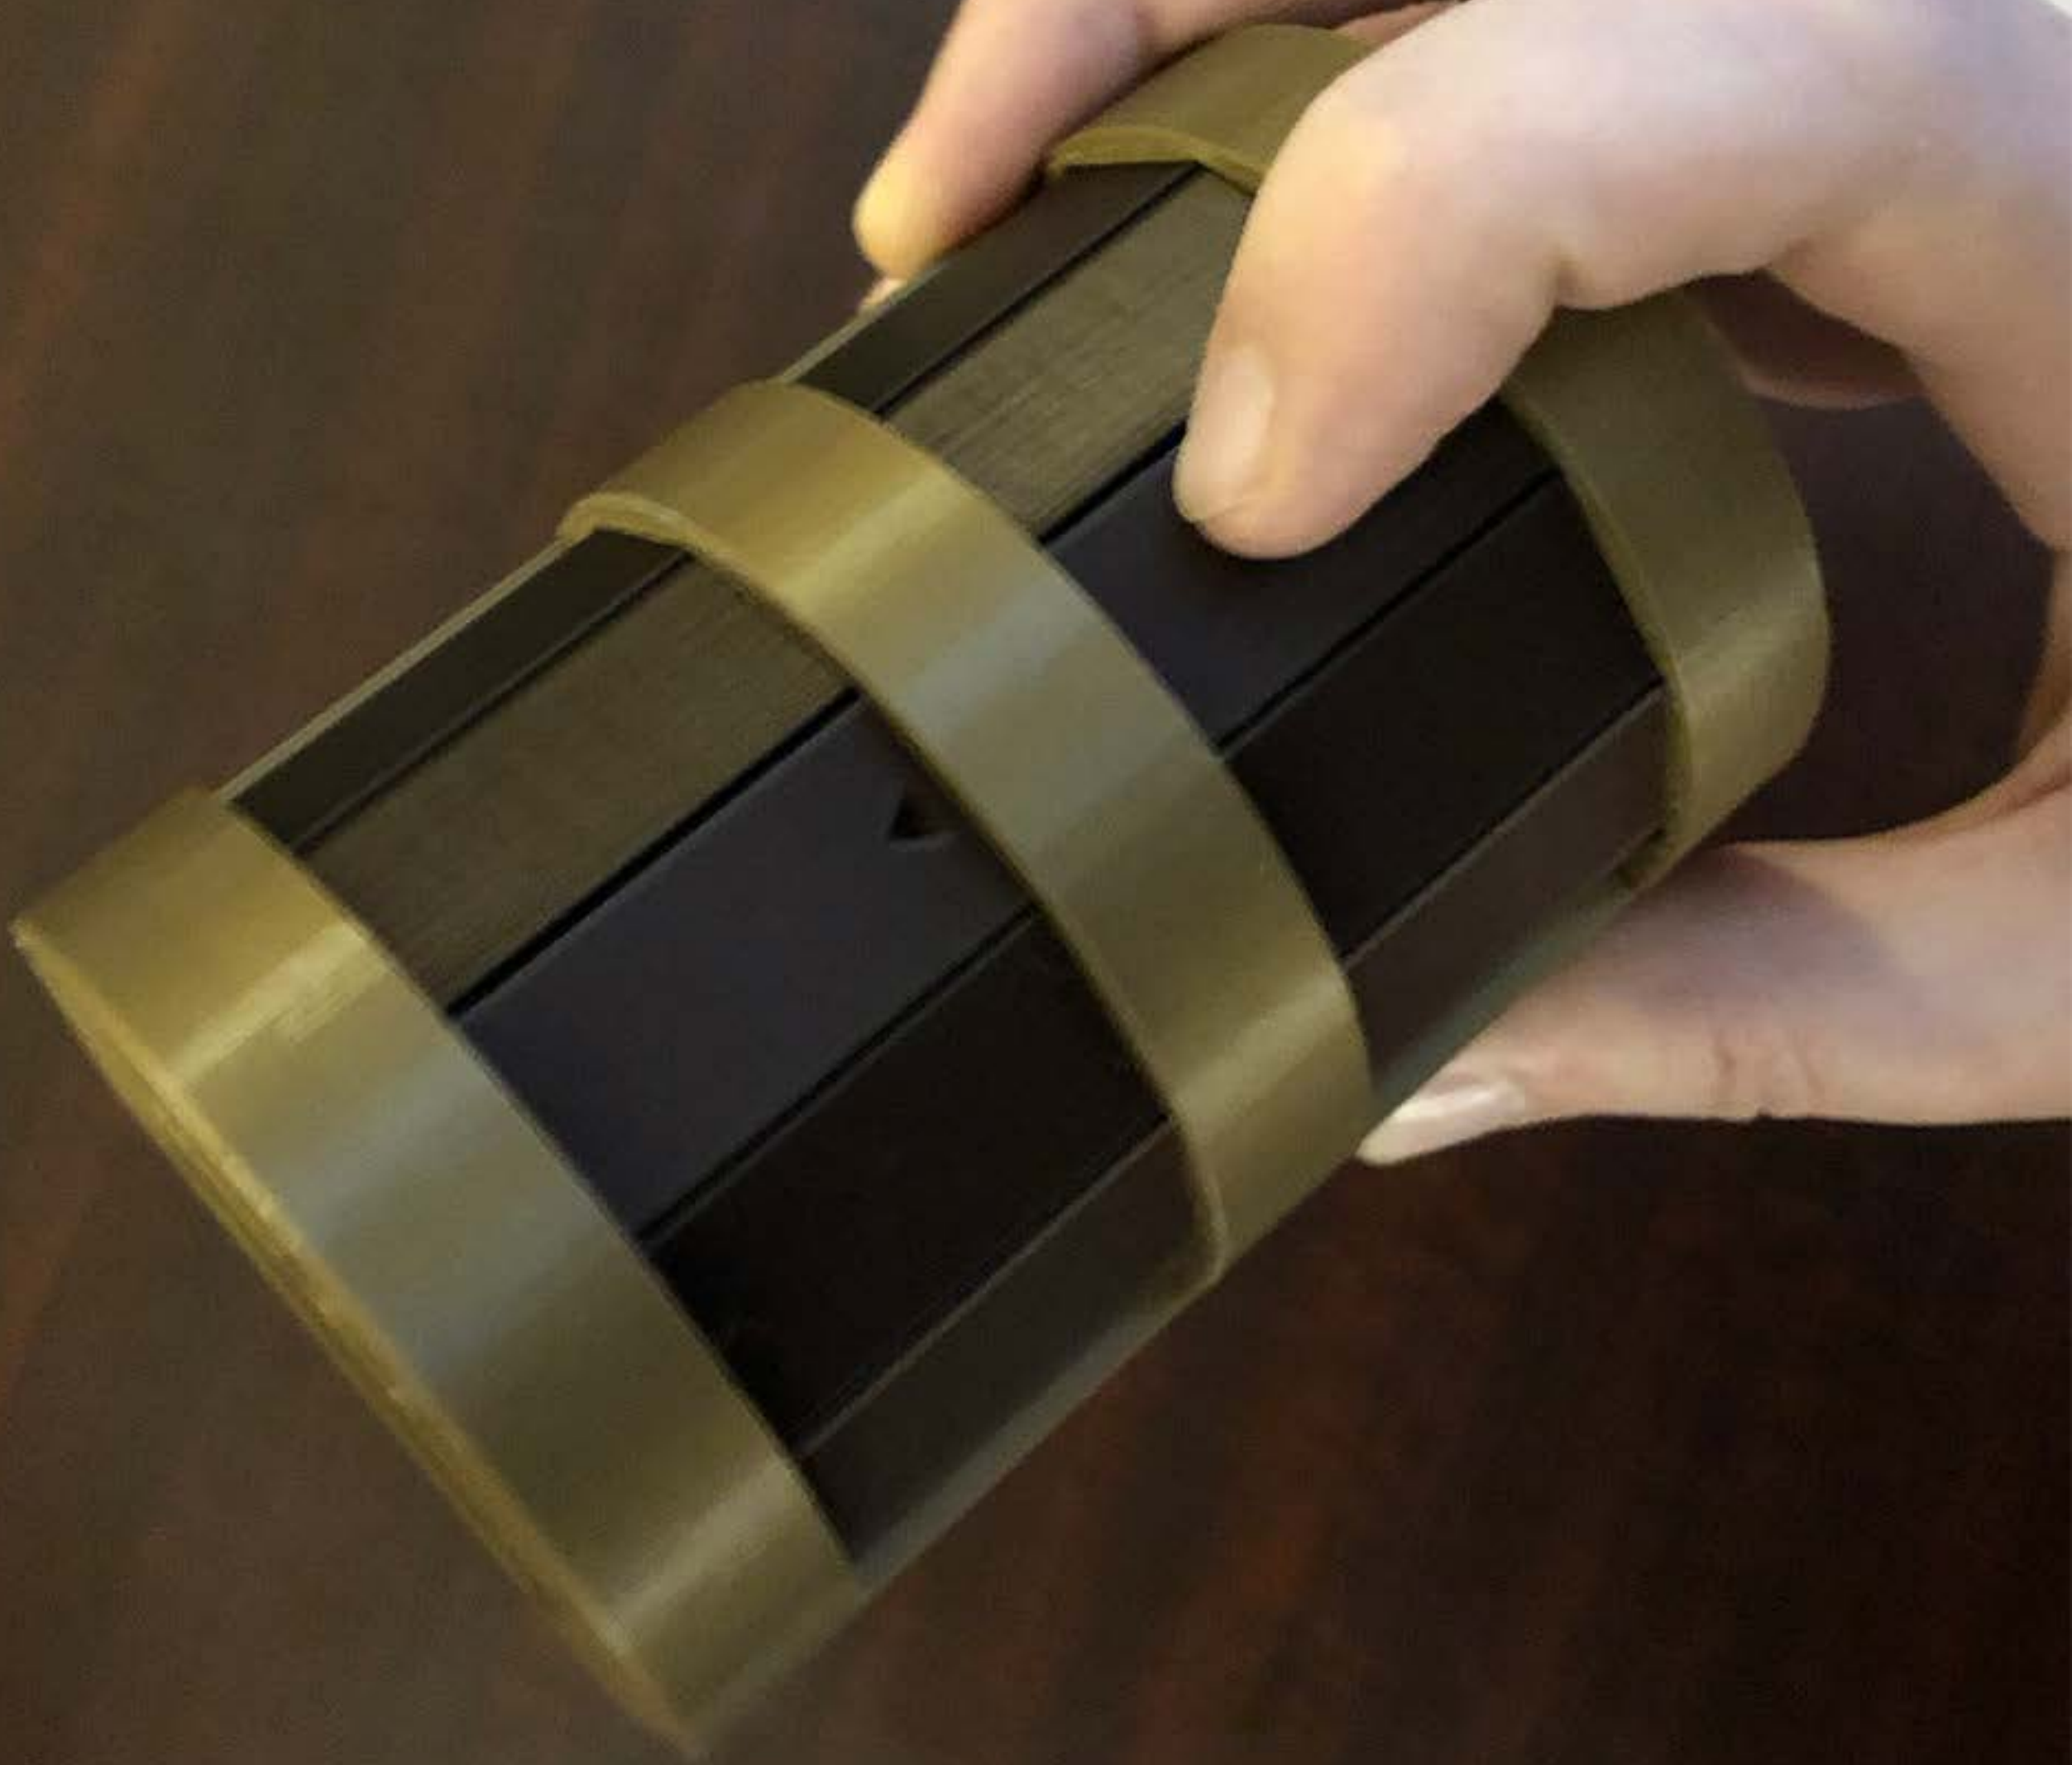

1 Place a finger on the lid's top slot.

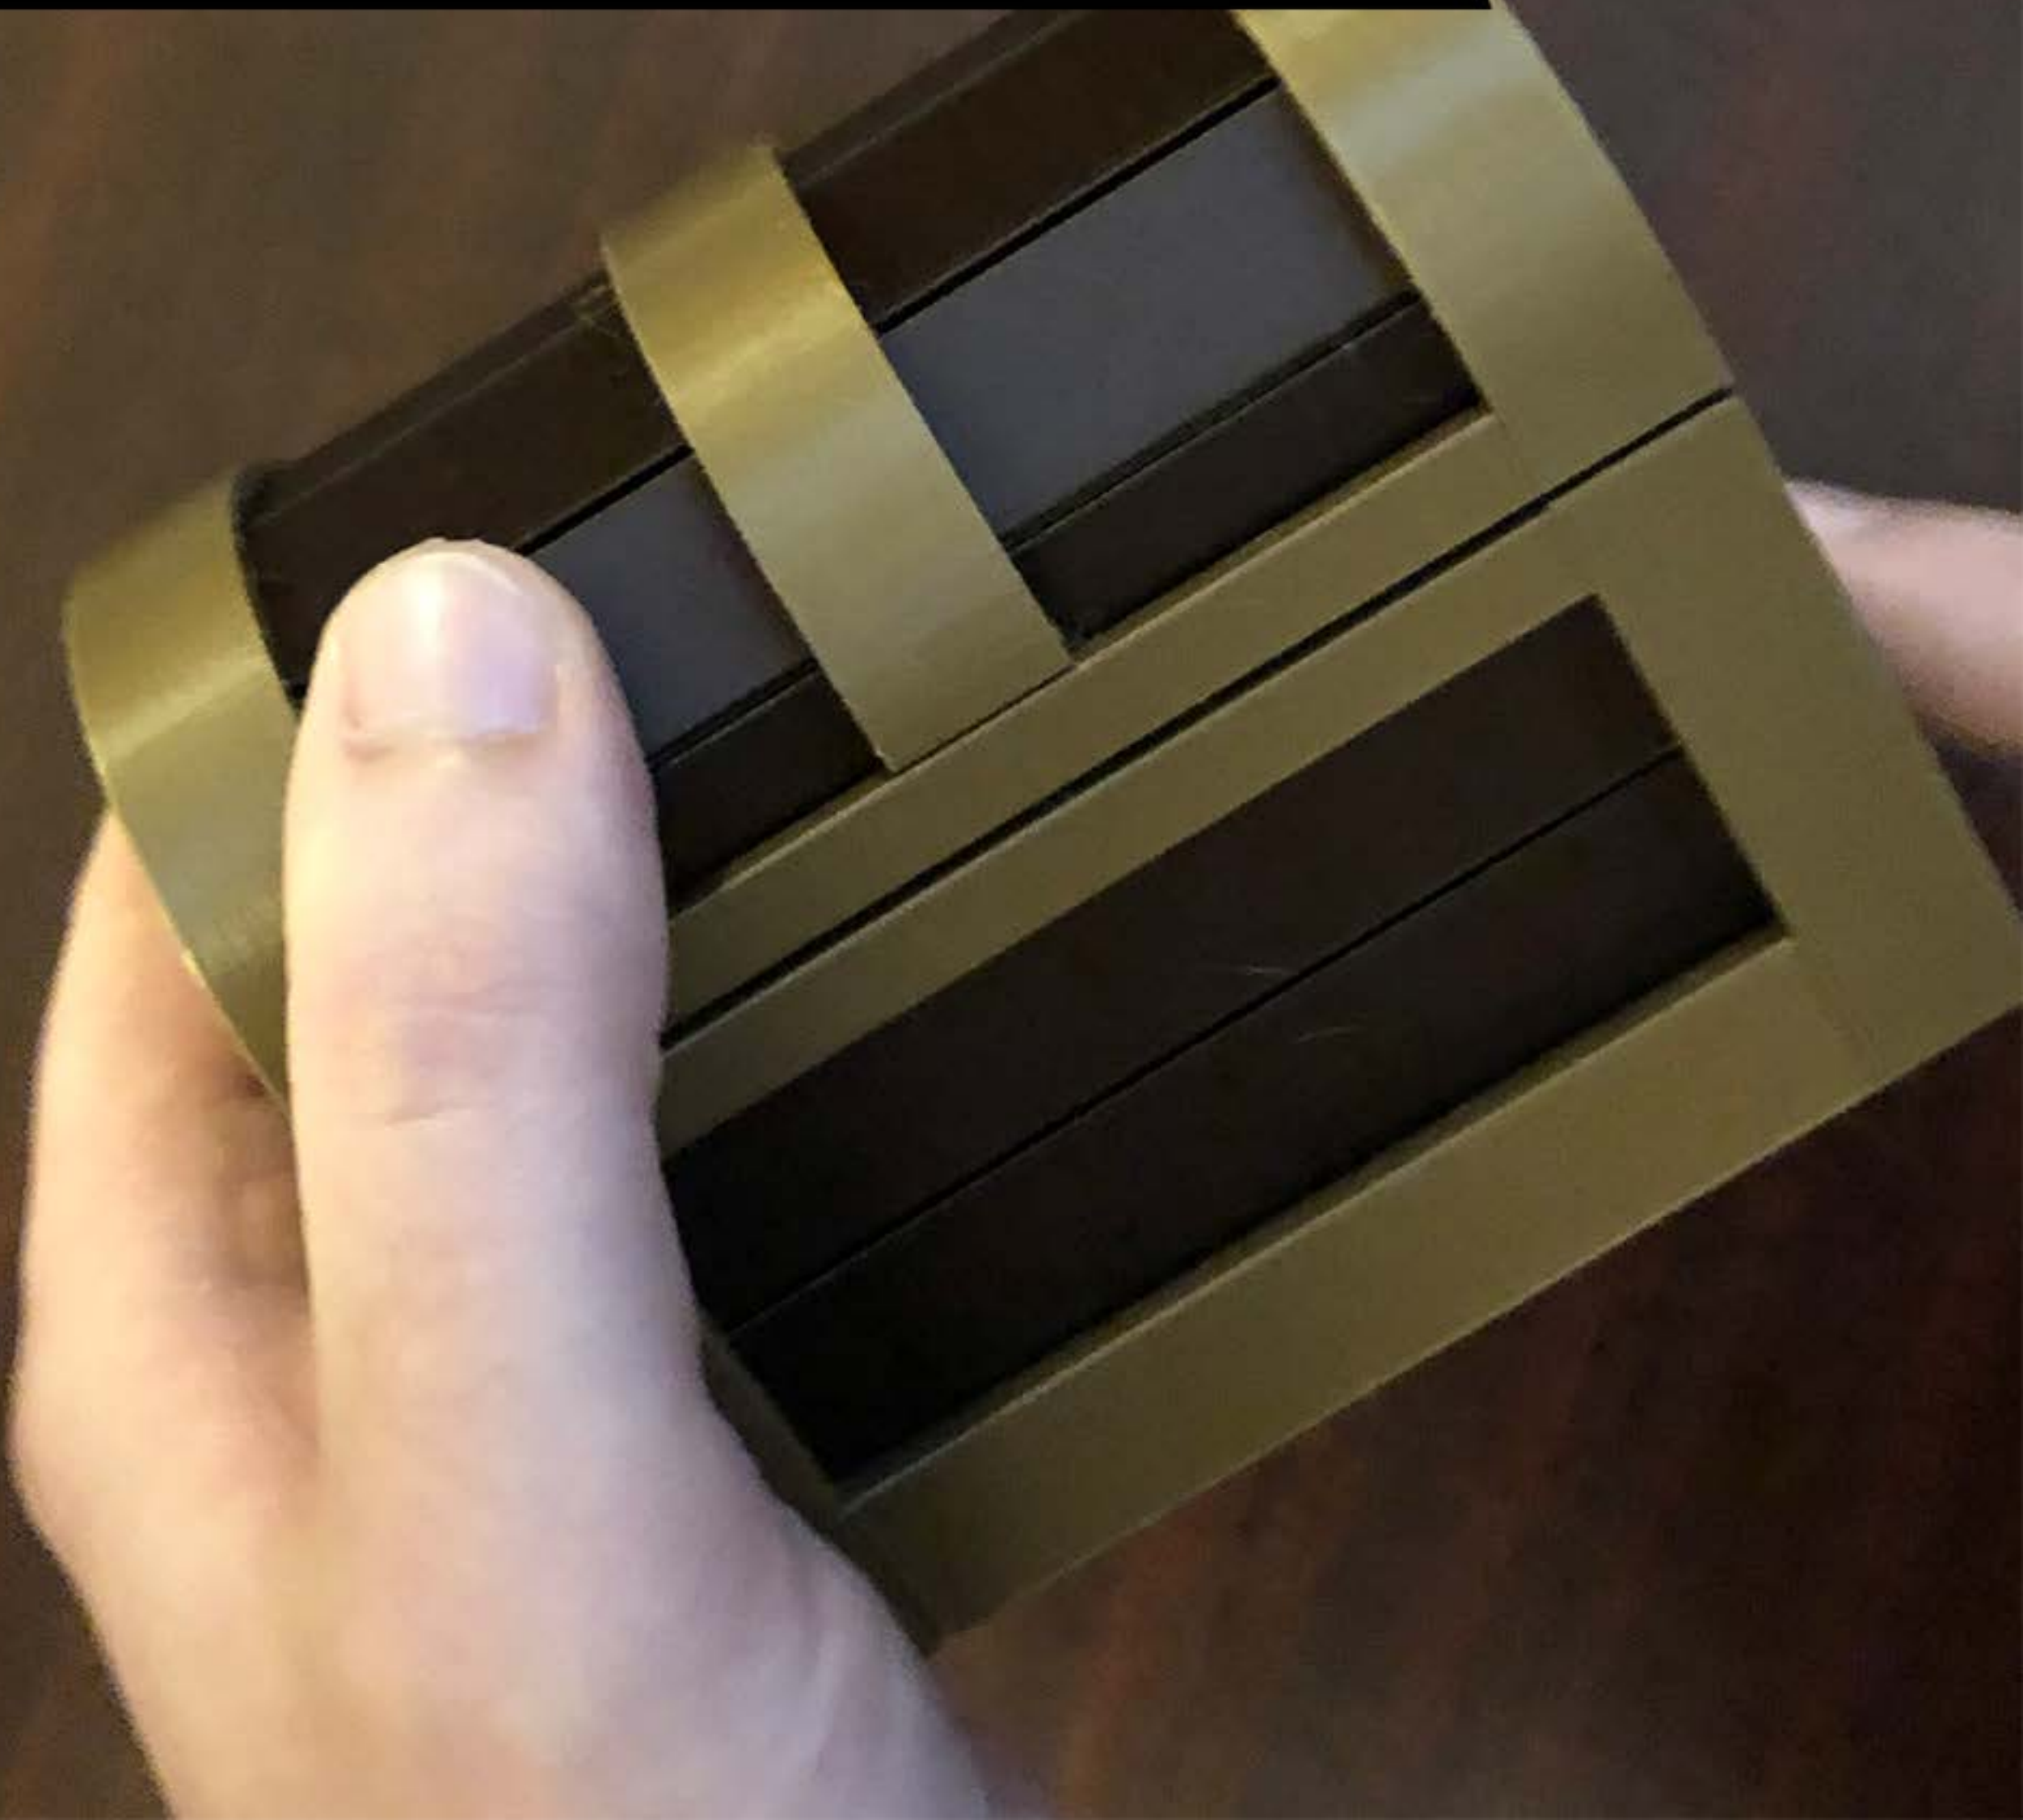

2 Rotate chest bottom-up. The top slat is now free to slide.

3 Confirm that the triangle indicator is fully visible.

4 Rotate chest so that the pictured slat is facing straight up (75 degrees from vertical)

5 This slat is now
free to slide.

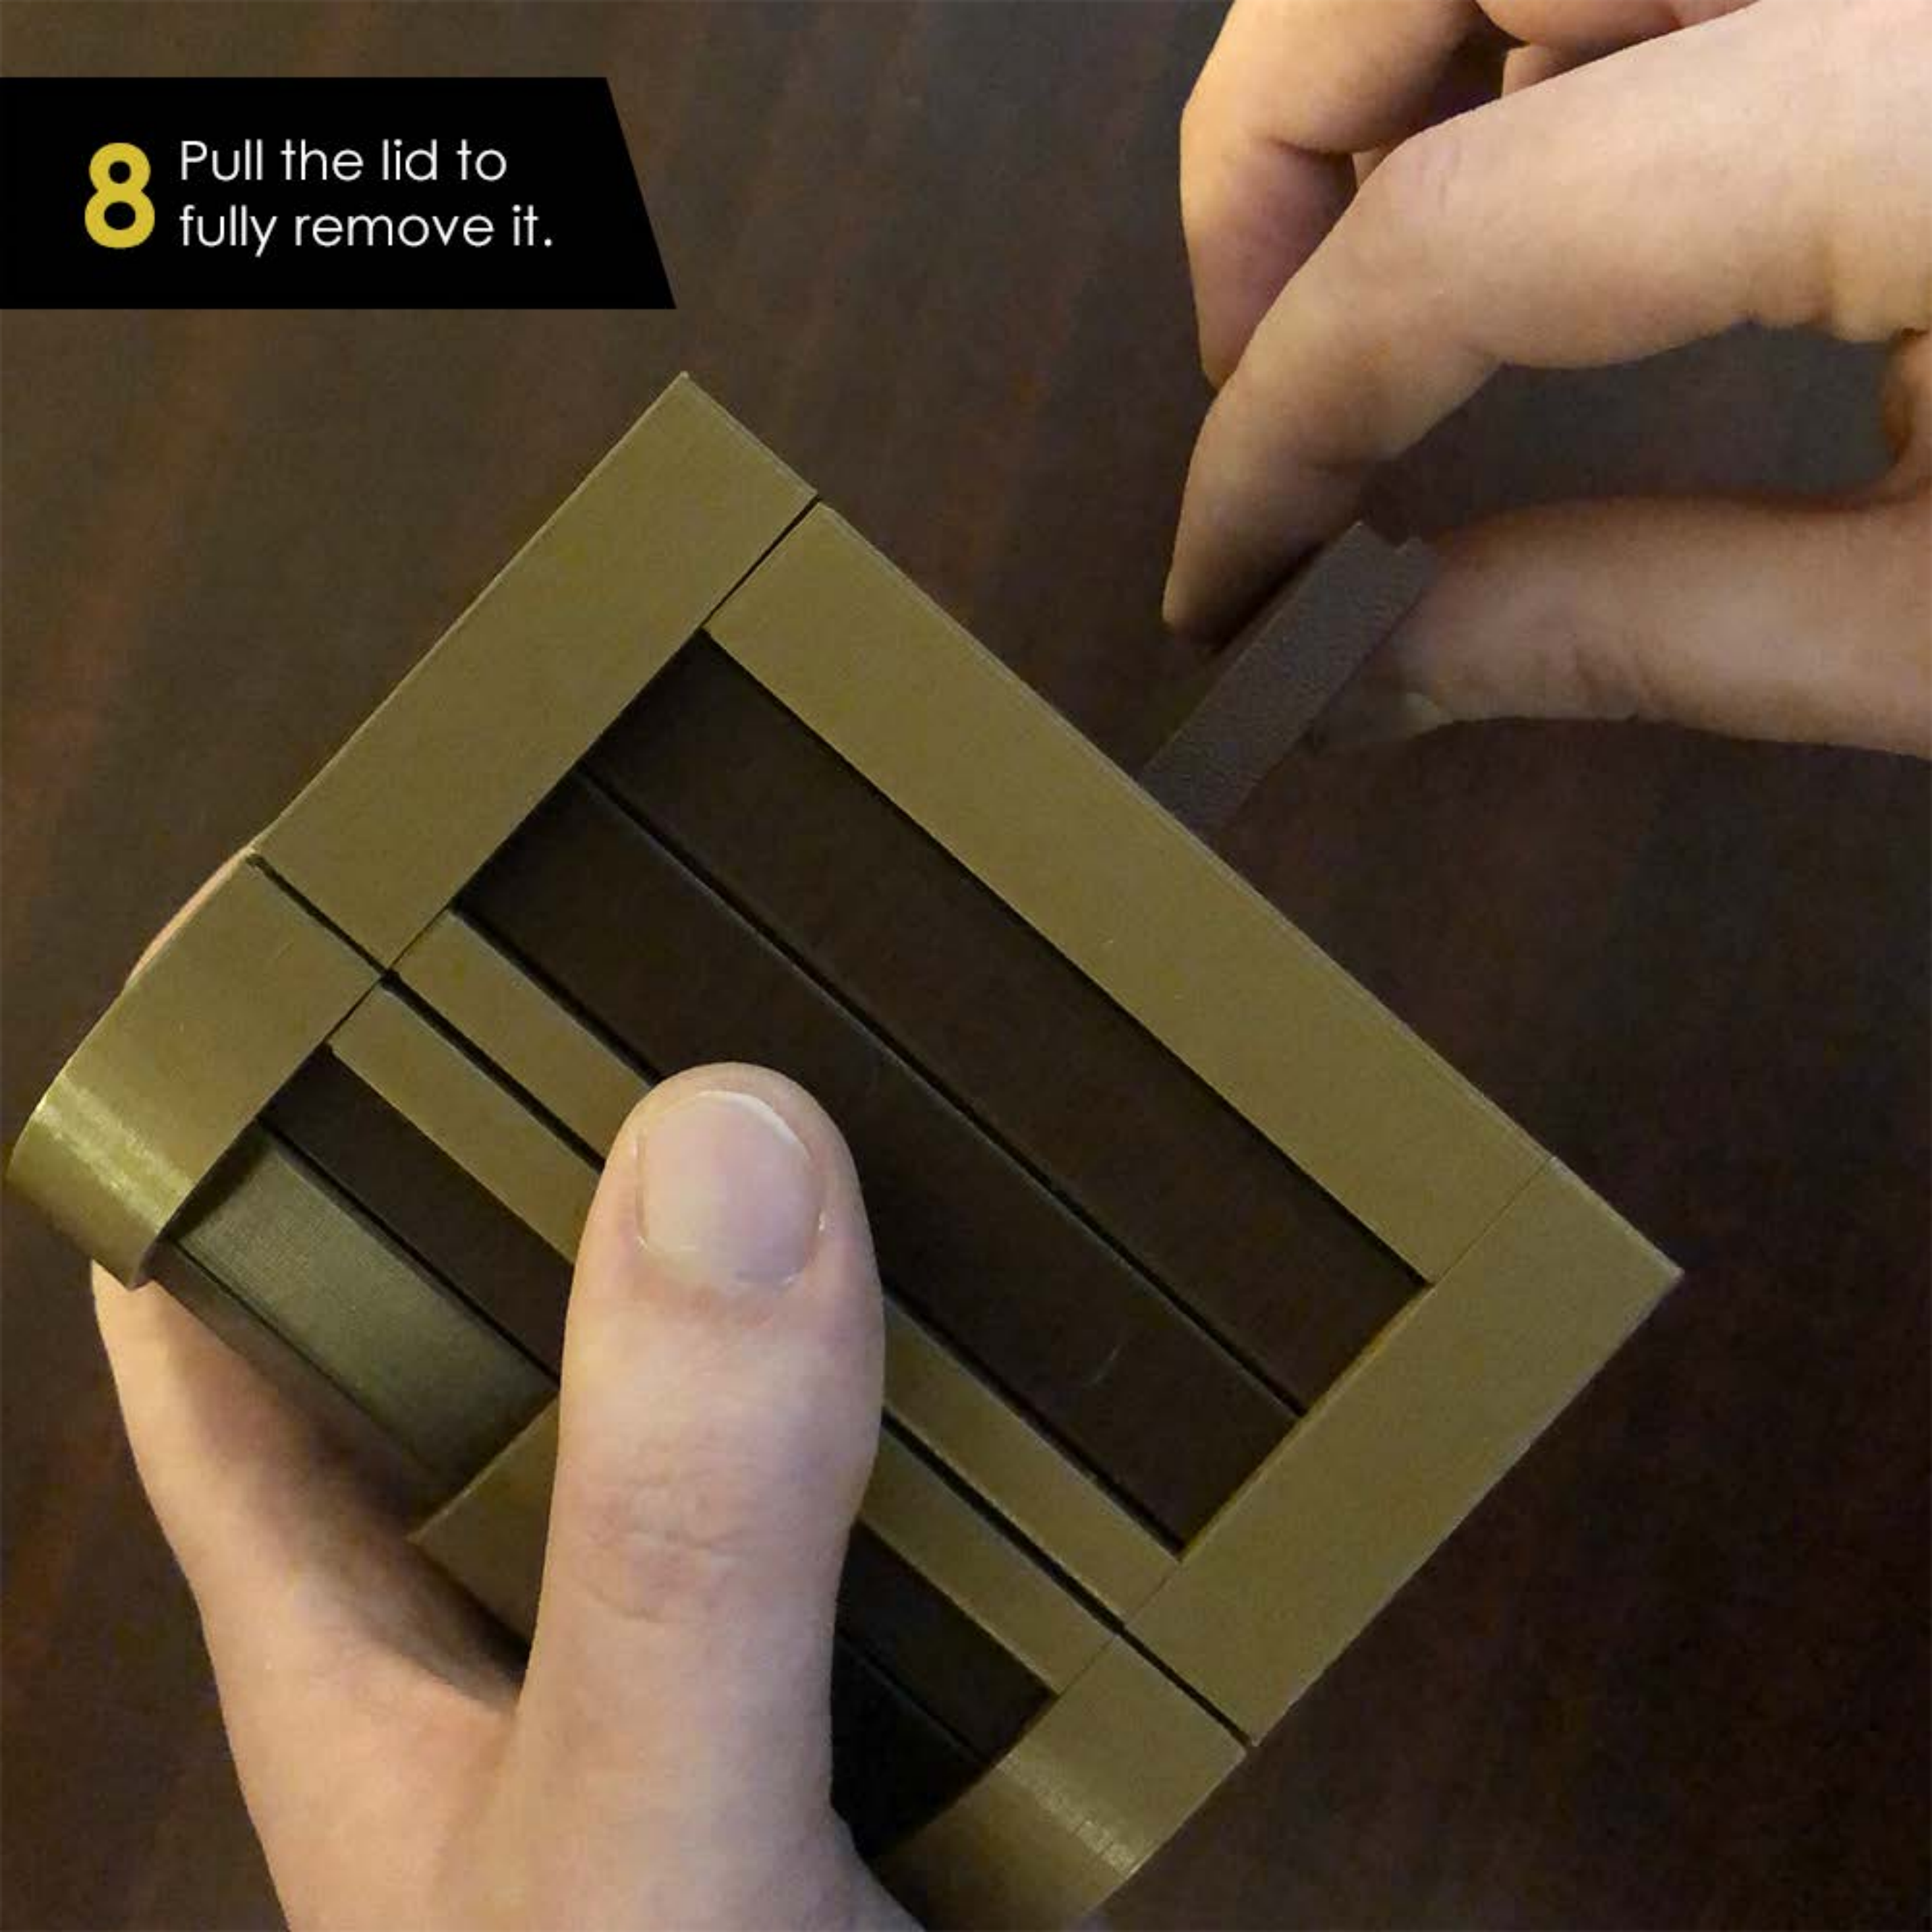

6 Repeat this on the opposite side to reveal a 3rd indicator.

7 Press on the bottom lid to open the chest.

8 Pull the lid to
fully remove it.

9 Slide the rib piece to reveal the hidden Triforce symbol.
