## Short description:

a minimalistic smartphone stand, splittable for bigger phones

## Description:

This smartphone stand is designed to be as small as possible to fit in every pocket or bag. Or hook it to your keychain and it will always be with you. It supports almost every smartphone in landscape mode, if you split it even bigger ones, at a comfortable angle to watch videos.

If you can, please use the online documentation found at <http://www.youmagine.com/designs/smartphone-stand-minimalist-duo> because those may have been updated. Also, there you can interact and provide praise and/or feedback.
