Short description:

this little animal will hold your smartphone

Description:

*** Update: Now there is a bigger version for larger smartphones and for holding them upright. *** Primarily designed for landscape mode. Larger smartphones tilt backwards if they are upright.

If you can, please use the online documentation found at <http://www.youmagine.com/designs/smartphone-stand-the-elephant> because those may have been updated. Also, there you can interact and provide praise and/or feedback.
