Short description:

Ford model S from 1908 roadstar

Description:

Hereby you introduce the "Ford model S from 1908 roadstar". <https://www.youtube.com/watch?v=W6IgObW4-l8> It is printed in 1:18 scale. The car is as much as possible as the chassis is. The first Ford logo can also be seen on the radiator. I have added some details, such as suitcases, oil can etc.

If you can, please use the online documentation found at <http://www.youmagine.com/designs/ford-model-s-roadstar-1908-scale-1-18-by-ed-sept7> because those may have been updated. Also, there you can interact and provide praise and/or feedback.
